

COULD
YOU
HELP

A CHILD
LEARN
TO READ?

YOUR HELP COULD REALLY MAKE A DIFFERENCE.

IMN recruits volunteer mentors to support children and young people in order to challenge the educational inequality that persists in many local communities.

Our new **'Help a child learn to read'** project currently needs reading mentors to provide weekly support for primary school children.

To find out more about new and existing projects and make an application to volunteer in your local area please visit
