In the next few months Knightswood Community Cinema has a wonderful selection of new release titles an old classic (Singing in the Rain) and films from wide-ranging genres. On school holiday Mondays there is always a family friendly film, coming up soon are Ghostbusters and Ghostbusters 2.

The Devil Wears Prada 2, the long-awaited sequel to the beloved office comedy with Meryl Streep, Emily Blunt and Anne Hathaway.

The season kicks off with My Mother's Wedding with Kristin Scott Thomas starring and making her directorial debut inspired by her own life.

Ignite – Better Together Arts Festival

In July, Ignite Theatre hosted the **Better Together Arts Festival** at Knightswood Community Centre, bringing children, young people and adults together through drama and photography workshops. Groups collaborated on an intergenerational arts project, celebrating how creativity strengthens community connections.

Some of the young people practicing their routines in the summer sun.

On Monday the 20th July over 100 local residents were welcomed to the Centre with tea, coffee and biscuits followed with a screening of *Everybody to Kenmure Street*. This is a powerful documentary and true story about a dawn raid in May 2021, in Pollokshields by UK Home Office staff which prompted local residents into the streets to prevent the deportation of their neighbours.

Pop Idol Michelle McManus hit the right note with the Singergie Choir at Knightswood Community Centre

Michelle with Chris, Lynne and Ali

Michelle is a Scottish singer, columnist, radio broadcaster and television presenter who won the second series of the UK talent show Pop Idol in 2003.

Michelle spoke warmly about her love of choirs and the importance of singing in her life. She treated the choir to a quick burst of that power house of a voice.

Ali (Singergie Choir Coach) stated ‘that Michelle is an inspiration to us all and gave us encouragement for our big day at the Glasgow Royal Concert Hall’.

Singergie celebrates it's 5th Birthday this year, a huge achievement.

It was five years ago, Lynne Jack founded Singergie starting with a handful of people in a little village hall in East Calder.

To celebrate going from strength to strength on Sunday 6th September 2026, 500 singers from the 8 choirs will walk onto the stage of the magnificent Glasgow Royal Concert Hall. This will be a dream come true for many of the choir members and the concert is on track to be a ‘sell out’.

Lynne Jack said 'This isn't just another performance. It's the culmination of five incredible years of friendship, courage, laughter, hard work and believing that everyone deserves somewhere they belong'

What a proud and exciting accomplishment for everyone involved with Singergie. **There are only a few tickets left so get booking fast!**
